

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

IN RE: TFT-LCD (FLAT PANEL) ANTITRUST
LITIGATION

No. M 07-1827 SI
MDL No. 1827

This Order Relates To:

All Indirect-Purchaser Plaintiff Class Actions

**ORDER DENYING AU OPTRONICS'
AND AU OPTRONICS CORPORATION
AMERICA'S MOTION TO CONTINUE
TRIAL DATE AND STAY FURTHER
PROCEEDINGS**

Defendants AU Optronics Corporation and AU Optronics Corporation America (collectively, "AUO") have filed a motion to continue the May 14, 2012 trial date and stay further proceedings in these civil actions pending the resolution of post-trial motions and any appeals of convictions entered in the parallel criminal matter.

Trial of these civil actions, which were filed in 2007, was specifically delayed until after completion of the criminal trials, which occurred in March, 2012. Given the complexity of this MDL, it is not feasible to grant any further delay or stays to the AUO defendants.

Accordingly, for the foregoing reasons and for good cause shown, the Court hereby DENIES AUO's motion to continue the trial date and stay further proceedings. The hearing on that motion currently scheduled for April 20, 2012 is VACATED. *See* Civil Local Rule 7-1(b).

IT IS SO ORDERED.

Dated: April 16, 2012

SUSAN ILLSTON
United States District Judge
